SEATS **5, or 3 + wheelchair**	CONVERSION **Tripod / Allied**	ACCESS **Manual folding ramp**	SECURING **Winch + tie-downs**

ABOUT THIS VEHICLE

A practical Peugeot Partner Tepee with the Tripod / Allied wheelchair conversion, taken in part exchange. It has a lowered rear floor, a manual ramp that folds flat, a winch and wheelchair securing system, and seating for 5 or 3 with the wheelchair in place. Recent work includes a new cambelt and water pump and a clutch replacement. With 99,000 miles there are some marks to the paintwork, but these are reflected in the price and don't affect its practicality. A great choice for those on a budget.

WHY BUY FROM US?

- Family run business
- AA Cars Standards & Trading Standards Approved Code
- 6 month / 6,000 mile in-house warranty
- Free delivery within 100 miles (or £250 off if you collect)
