Electric front belts

ABOUT THIS VEHICLE

A one-owner, ex-Motability Citroën Berlingo with just 20,600 miles from new (about 4,120 a year) and full service history. Converted by GM Coachworks, with a lowered rear floor for a spacious wheelchair area and a sturdy manual ramp that is simple to deploy and store. The wheelchair is secured by electric front belts (simple on/off switch) and manual rear belts, with a 3-point belt for the wheelchair user. Three standard seats plus unobstructed space for a wheelchair or mobility scooter.

WHY BUY FROM US?

- Family run business
- AA Cars Standards & Trading Standards Approved Code
- 6 month / 6,000 mile in-house warranty
- Free delivery within 100 miles (or £250 off if you collect)
- Finance available - FCA authorised
- Part exchange welcome, standard or WAV
- Viewings by appointment, Saturdays too
